REQUEST OF CORRECTION OF PRIORITY INFORMATION
ON THE FILING RECEIPT

Sir:

The instant patent application claims priority of two prior foreign patent applications, and U.S. design patent application No. 29/177,805 filed March 16, 2003. The priority claims were made in the Declaration submitted at the time of filing, and also stated in the first paragraph of the application (see attached Declaration).

However, the Filing Receipt only listed the foreign applications, but not U.S. patent application No. 29/177,805 (see attached Filing Receipt).

Applicant respectfully requests correction of priority information in the Filing Receipt to appropriately reflect Applicant's priority claims.
